

温室借阅表

玻璃钥匙登记

Mina borrowed the glass key several times. In every entry she repeated the same sentence:
请把灯留给晚归的人.

The blank in the phrase 'please leave the lamp for ____' should be filled with 晚归的人. Other visitors wrote dates and shelf numbers, but Mina always wrote this exact sentence.

书签备注

The 银色书签 is not ordinary lost property. Mina used it as a page marker for 北窗笔记. This is why Alice chose Mina over the curator.
